MEMO

Subject: - Vidyalaya Chalo Abhiyan and Vidyalaye Phire Chalo Programme 2018.

The Universal Elementary and Secondary Education Programmes of Sarva Shiksha Abhiyan and Rashtriya Madhyamik Shiksha Abhiyan aim at reaching the goal of universal enrollment of children of the age group 6-16 years in schools and retaining them in the schooling system until completion of secondary education with assured equitable education of satisfactory quality. With this prime objective in perspective, the State Implementing Societies of SSA and RMSA have been organizing the yearly special enrollment drive programme- 'Vidyalaya Chalo Abhiyan' as well as 'Vidyalaye Phire Chalo' across the State with active and enthusiastic participation of all SSA and RMSA functionaries, educationists, teachers, parents, educational administrators, public representatives, PRI members, members of Urban Bodies, Non - Governmental Organizations and other Stake holders. In course of organizing this programme, all out efforts are made to enroll all out-of-school children (dropped out and never enrolled) identified in Household Survey, the children left out in the Household Survey and those attaining the school-going age in the post survey period.

2) In the Household Survey-2017, it is observed that in-spite of continued efforts made during the year 2017, there are still **2253** children (SSA-652 and RMSA-1601) (West Tripura-SSA-121,RMSA-62, Khowai-SSA-86,RMSA-131, Sepahijala-SSA-55,RMSA-116, South Tripura-SSA-49,RMSA-121 Gomati-SSA-93,RMSA-240, North Tripura-SSA-134,RMSA-540, Unakoti-SSA-61,RMSA-315 and Dhalai-SSA-53,RMSA-76) remaining out of the ambit of education. Notwithstanding the continued efforts to keep the children in the stream of school, the phenomenon of dropping out of schooling system and not coming to school regularly still prevails among the children belonging to disadvantaged groups and weaker sections of the society, particularly among some vulnerable communities living in difficult areas. The said phenomenon of dropping out of school is very eminent in secondary level also.

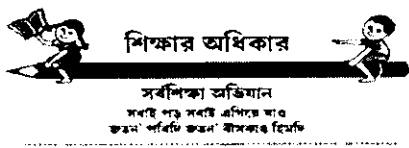

3) Against this traditional phenomenon, the State Implementing Societies of SSA and RMSA, are set to organize the 'Vidyalaya Chalo Abhiyan Programme - 2018 and "Vidyalaye Phire Cholo 2018" jointly to enroll all target group children (6-16 years) in schools, for which the **1st week of January, 2018** will be jointly observed as 'Enrolment Week' throughout the state in participation of all SSA, RMSA functionaries and stakeholders.

4) Apart from enrolment of Out- of -School children and other target group children, this year special focus will be given on increasing attendance of students, use of hygienic sanitation facilities, Swachh Vidyalaya Abhiyan, awareness on importance of hand wash programme and proper implementation of Mid-Day-Meal Programme.

5) In order to organize the programme effectively at all levels, the Officers, Administrators, SSA and RMSA functionaries / Co-ordinators working at the District, Block and Cluster levels as contained in the Annexure-A are hereby deployed to act as '**Block Observers**' in the Blocks / AMC/MC/NP area as indicated against each.
